--	---

This is what your invitation looks like.

You will need the code to sign up and login.

Home

Navigating the Home screen

This is your home screen, on the left you can select all stories to view stories from your child's class.

You can also just select your child's story for a focused look at your child's individual learning.

Stories

How to use Stories

Your Child's story

Your child's story allows you to see their school reports, test results, homework and much more!

Your child will earn 'Mojo' points for participation.

Class Stories

Class stories allow you to see what your child's class are learning and to interact.

Teachers will often set assignments and post updates within Class Stories

What Can I do on Class Stories?

You can view, like or comment on a story.

Your Child

How your child can access ClassDojo

Firstly, you need to switch from parent view to child view.

You can do this by clicking the profile icon in the top right corner of your device.

You should then be able to view the Who's here screen, Clicking your child's avatar will switch to the child version.

Who's here?

[+ Add a child](#)

My Portfolio

How to access and use 'My Portfolio'

You can upload photos, videos, files or even create drawings!

To Do

Assigned tasks from your teachers will appear in the 'To Do' section!

Click Portfolio to view your portfolio.

This will show all of your child's uploaded work. You can add work by clicking the blue plus icon.

Messages

How to use Messages in ClassDojo

Select the messages tab to communicate with your child's teachers.

You can interact, get learning updates, photos and much more!
